JUDGMENT (LEAVE TO APPEAL)

Holland-Müter AJ:

1. Judgment in this matter was handed down on 21 January 2016. The leave to appeal was only brought to my attention during April 2016. The application for leave to appeal was accompanied by an application for condonation for the late filing of the application for leave to appeal. I considered the condonation application and decided to hear the application for leave to appeal.
2. After hearing arguments by counsel and considering the application for leave to appeal, I considered the matter again.

3. The reasons for the judgment is contained in the judgment and I need not repeat it here.
4. I am of the view that there is no reasonable prospect on success on appeal in this matter.

Order:

5. The application for leave to appeal is dismissed with costs.
